7.3.1 Each event is organised for a maximum of 16 teams from members represented by at least 4 competitors. Each team shall comprise of 4 or 5 competitors of which 4 may sail in each race. Composition of teams is at the discretion of the member.

7.3.2 For the selection of the teams as well as for the seeding, the Race Committee will calculate 'Total scores' per group of 4 competitors per member, as explained below: After the first 5 races sailed in the ISAM (or the number of races sailed until April 3 inclusive, if fewer than 5) the total points of the 4 competitors with the best cumulative results from each member will be added to give a total score for the first team of each member. For members with more than 4 competitors: the total points of the following 4 competitors with the best cumulative results from each member will be added to give a total score for the second team of each member; and, for members with more competitors, the total points of the following 4 competitors with the best cumulative results from each member will be added to give a total score for the third team of each member.

7.3.3 No member may enter more than three teams in the team racing competitions.

7.3.4 No member will be allowed to enter more than one team in the team racing championships (to participate in the same championship or in both) unless it makes available to the organisers a suitable umpire for the TRSAM or the NC, if required.
