7.2 For the **INAM**

7.2.1 Boats will be assigned to fleets of, as nearly as possible, equal size.

7.2.2 The initial allocation to fleets will be done by the Race Committee on October 21 with the list of competitors already registered by the time of allocation. Competitors registering later will be added at the bottom of the sorted list in the order of registration.

7.3 For the team racing events:

7.3.1 Each event is organised for a maximum of 16 teams from members represented by at least 4 competitors. Each team shall comprise of 4 or 5 competitors of which 4 may sail in each race. Composition of teams is at the discretion of the member.

7.3.2 For the selection of the teams as well as for the seeding, the Race Committee will calculate 'Total scores' per group of 4 competitors per member, as explained below:  
After the first 5 races sailed in the INAM (or the number of races sailed until April 3 inclusive, if fewer than 5) the total points of the 4 competitors with the best cumulative results from each member will be added to give a total score for the first team of each member. For members with more than 4 competitors: the total points of the following 4 competitors with the best cumulative results from each member will be added to give a total score for the second team of each member; and, for members with more competitors, the total points of the following 4 competitors with the best cumulative results from each member will be added to give a total score for the third team of each member.

7.3.3 No member may enter more than three teams in the team racing competitions.

7.3.4 No member will be allowed to enter more than one team in the team racing championships (to participate in the same championship or in both) unless it makes available to the organisers a suitable umpire for the TRNAM or the NC, if required.

## NOTICE OF RACE

- 7.3.6 When a member enter more than one team in the same team race event, the position of each team in the grid will be based on each team total points, which will be the result of adding the points (on the first 5 races or the number of races until October 23 if fewer than 5) of the actual best 4 members of the team. Teams with lower total points will be seeded in higher positions.
- 7.3.7 The total points of the competitors, as mentioned in 7.3.2, will be based on the ranking available at 2100 on October 23 **regardless of protests or requests for redress not yet decided.**
- 7.3.8 The required red protest flag shall be attached to the competitor, clothing or PFD and shall be capable of being concealed and being displayed at arm's length. To indicate a protest, the flag shall be deployed from a concealed position to a position where it is easily visible to the protested boat and Umpires.
- 7.3.9 For matches between two teams of the same member, competitors of one or both teams will be required to wear a bib to identify the different teams. Bibs will not be provided by the organisers.
- 7.4 TRNAM**
- 7.4.1 The first 16 teams from North American members (those with the best total score according to 7.3.2) will qualify, but;
- 7.4.2 Had any North American member/s not qualified even one team, it/they shall enter a team replacing the team/s (of members that had qualified more than one team) with worst total score/s.
- 7.5 NC**
- 7.5.1 If there are 16 or more members from outside North America represented by at least four competitors, the 16 members with the best first teams according to 7.3.2 may enter one team.

## ATTACHMENT 2: ELIGIBILITY CRITERIA

### PART A: ELIGIBILITY CRITERIA FOR NON-AMERICAN MEMBERS

- A.1 Up to four members from outside of America may enter a team of four sailors. Each of these members should represent one continent. To be eligible to enter, members should have qualified in the first half of the ranking of the MHT of 2011 and must have returned the preliminary entry form before June 30 2012. Non-American members that have qualified in the first half of the MHT are (in the order of qualification):  
From Europe: NED, POR, CRO, ESP, GER, BEL, ITA, SWE.  
From Asia: SIN, THA, MAS.  
From Oceania: NZL, AUS.  
No member from Africa has qualified.  
The IODA Executive committee may decide to allow the entry of sailors from a member that have not qualified in the first half of the MHT, depending on the history of results of the relevant member.
- A.2 Of all the applications received:
- (a) For each continent, only the member with the best scores in the ranking of the MHT will enter.
  - (b) If there are four continents represented, the relevant best four teams may enter.
  - (c) If there are three or fewer continents represented, only three members from outside of America may enter, with the priority given to the best team in each continent. However, if by June 30 2012 any of the said members have entered fewer than three sailors, another member (only one) of the same continent may enter a team of four sailors provided that the max number of 16 sailors for members from outside of America is not exceeded. If that happens - another member enter four sailors -, the member that have entered fewer than 3 will not be allowed to enter more sailors than the number they have entered by June 30 2012.
  - (d) If there are fewer than three continents represented, the remaining places (up to 12 in total for non-Americans) will be allocated to other non-American members that have applied to enter, according to the priority given by the order of their places in the ranking of the MHT.
  - (e) If no member from outside of America apply, the 16 spots will be allocated to the members of America that have requested extra spots, as stated in NOR 4.5.
- A.3 *In the case when the total number of registered sailors after the first deadline is significantly lower than the maximum stated in NOR 4.9 the IODA Executive Committee may allow for entries from other non-American members, in which case priority will be given to the members with better positions in the MHT ranking.*

### PART B: ALLOCATIONS AFTER THE FIRST DEADLINE FOR PAYMENTS

- B.1 In the event that by June 30 2012 the number of registered and paid American sailors is less than 178, the available places will be allocated by the IODA Executive Committee to the American members that have requested them, according primarily to their average participation in 2010 and 2011 World and North American Championships. Places allocated in this way must be confirmed by registration and payment by July 15 2012.

- B.2 The places allocated to non-American members shall be paid on or before July 15 2012. If no payment is made the remaining places will go to the other non-American countries that have requested places but if by July 30 2012 no payment has been received, the remaining spots originally reserved for non-American countries will be allocated to American countries.
