

SailEvent Kerteminde

Sail Event Kerteminde is a group of dedicated members of Kerteminde Sailingclub specializing in handling international events. Through organizing and evaluating various regattas within the last 7 years they have optimized their knowledge, performance and functions and know what it takes to attract and successfully run any kind of sailing event.

SEK main goal:

- To attract and run large international events and championships - with emphasis on youth and dinghies
- To further develop and run Sail Extreme
- To attract and run national youth and dinghy championships / events

SEK is represented on the board of Kerteminde Sailingclub

Kerteminde Sailingclub and Sail Event Kerteminde is working closely with Danish Sailing Association. Kerteminde Sailingclub has been appointed "National Training Center" (1 out of 9 in Denmark) by Danish Sailing Association = future stars developing.

We expect about **750 dinghies** to participate
