

SUMMER REGATTA

on Lake Balaton, Hungary

9-11th July, 2010

The date of the Summer Regatta is the same as the last 3 days of the European Championship. But it is not a coincidence! The point of this Summer Regatta is that young optimist sailors (the forthcoming generations) can meet their own age-group to test their skills and to have a chance to win!

Location

Balatonfüzfő, Hungary. The club has a nice and quiet environment and is the largest green zone club in Hungary with proper facilities. The sailing club is the most successful Optimist educator club in Hungary.

Classes: Optimist, Laser Radial, Laser 4.7

Preliminary entry: Till 9th June, 2010

Entry fee: 25 Euro/person

Accommodation

- The official accomodation is in a motel, 800 m from the club, with 2 or 3 beds. During the time of the regatta, thanks to our partners, you will have to pay only 15 Euro/person/night for the bed and meal (meal including breakfast and dinner).
- Parking with a caravan is also possible.
- Any other accommodation is also available (hotel, private room).

Early Arriving: It is possible to train before the regatta. If you come without your coach, don't worry, you can train with Opticoach. (More details: www.opticoach.com)

Extra services

- If there isn't an escort with you on the water, don't worry, you can put your stuff in our motorboat.
- During the 3 days of the regatta, we will fuel up your motorboat once! (If you plan to bring a motorboat, please register it until 9th June.)
- A charter boat is not a problem.

Free time: The surrounding towns provide several sight-seeing and cultural programmes (for example: Balatonalmádi, Veszprém, etc.).
