7. FORMAT OF THE CHAMPIONSHIP

7.1 The IODA North American Championship comprises three ‘championships’:

7.1.1 The OPTIMIST INDIVIDUAL NORTH AMERICAN CHAMPIONSHIP (INAM);

7.1.2 The OPTIMIST TEAM RACING NORTH AMERICAN CHAMPIONSHIP (TRNAM);

7.1.3 The OPTIMIST NATIONS CUP (NC).

7.2 For the **INAM**

7.2.1 Entries may be divided into fleets to sail a qualifying series followed by a final series.

7.2.2 If 5 races of a qualifying series have not been completed by the end of the third scheduled racing day, that qualifying series will continue until the end of the racing day in which a fifth qualifying race is completed.

7.2.3 A qualifying series race will not count until all fleets have completed that race.

7.3 For the team racing events:

7.3.1 Each event is organised for a maximum of 16 teams from members represented by at least 4 competitors. Each team shall comprise of 4 or 5 competitors of which 4 may sail in each race. Composition of teams is at the discretion of the member.

7.3.2 For the selection of the teams as well as for the seeding, the Race Committee will calculate ‘Total scores’ per group of 4 competitors per member, as explained below: After the first 5 races sailed in the INAM (or the number of races sailed until July 13 inclusive, if fewer than 5) the total points of the 4 competitors with the best cumulative results from each member will be added to give a total score for the first team of each member. For members with more than 4 competitors: the total points of the following 4 competitors with the best cumulative results from each member will be added to give a total score for the second team of each member; and, for members with more competitors, the total points of the following 4 competitors with the best cumulative results from each member will be added to give a total score for the third team of each member.

7.3.3 No member may enter more than three teams in the team racing competitions

7.3.4 No member will be allowed to enter more than one team in the team racing championships (to participate in the same championship or in both) unless it makes available to the organisers a suitable umpire for the TRNAM or the NC. This individuals name must be stated at registration.

NOTICE OF RACE

7.3.5 The seeding for the TRNAM and NC will be based on the total scores mentioned in 7.3.2. Formats of both championships will be described in the relevant Sailing Instructions.

7.3.6 When a member enters more than one team in the same team race event, the position of each team in the grid will be based on each team total points, which will be the result of adding the points (on the first 5 races or the number of races until July 13 inclusive, if fewer than 5) of the actual best 4 members of the team. Teams with lower total points will be seeded in higher positions.

7.3.7 The total points of the competitors, as mentioned in 7.3.2, will be based on the ranking available at 2100 on July 13 **regardless of protests or requests for redress not yet decided.**

7.3.8 The required red protest flag shall be attached to the competitor, clothing or PFD and shall be capable of being concealed and being displayed at arm's length. To indicate a protest, the flag shall be deployed from a concealed position to a position where it is easily visible to the protested boat and Umpires.

7.4 TRNAM

7.4.1 The first 16 teams from North American members (those with the best total score according to 7.3.2) will qualify, but;

7.4.2 If any North American member/s have not qualified even one team, it/they shall enter a team replacing the team/s (of members that had qualified more than one team) with worst total score/s.

7.5 NC

7.5.1 If there are 16 or more members from outside North America represented by at least four competitors, the 16 members with the best first teams according to 7.3.2 may enter one team.

7.5.2 If there are fewer than 16 members from outside North America represented by at least 4 competitors, every one of them may enter their first team. Remaining places will be allocated to teams with best total scores according to 7.3.2 selected indiscriminately from (but following the order of the scores in accord to 7.3.2):

7.5.2.1 Second and third teams of North American members that had not qualified to the TRNAM;

7.5.2.2 Second and third teams of members from outside North America

7.5.2.3 Combined teams from members which are not represented by at least four competitors, and did not qualify one team for any Team Race event.

ATTACHMENT 2: ELIGIBILITY CRITERIA

PART A: ELIGIBILITY CRITERIA FOR NON-AMERICAN MEMBERS

A.1 Unless the IODA Executive Committee determines differently one year before the event, 6 Non American members of IODA may enter teams of 4 sailors each. Entries will be accepted in chronological order, except that a place is reserved for one team from each continent represented in the first half of the Teams aggregated score (MHT) of the previous World Championship.

[This results in SIN, HUN, and AUS qualifying by right and the other 3 slots going to NOR, ITA, and ESP.](#)

No member from Africa has qualified.

The IODA Executive committee may decide to allow the entry of sailors from a member that have not qualified

in the first half of the MHT, depending on the history of results of the relevant member.

- A.2 Of all the applications received:
- (a) For each continent, only the member with the best scores in the ranking of the MHT will enter.
 - (b) If there are four continents represented, the relevant best four teams may enter.
 - (c) **If there are three or fewer continents represented, only three members from outside of America may enter, with the priority given to the best team in each continent. However, if by March 15, 2016, any of the said members have entered fewer than three sailors, another member (only one) of the same continent may enter a team of four sailors provided that the max number of 16 sailors for members from outside of America is not exceeded. If that happens - another member enters four sailors -, the members that have entered fewer than 3 will not be allowed to enter more sailors than the number they have entered by March 15, 2016.**
 - (d) If there are fewer than three continents represented, the remaining places (up to 12 in total for non-Americans) will be allocated to other non-American members that have applied to enter, according to the priority given by the order of their places in the ranking of the MHT.
 - (e) If no member from outside of America apply, the 16 spots will be allocated to the members of America that have requested extra spots, as stated in NOR 4.5.
- A.3 In the case when the total number of registered sailors after the first deadline is significantly lower than the maximum stated in NOR 4.9 the IODA Executive Committee may allow for entries from other non-American members, in which case priority will be given to the members with better positions in the MHT ranking.

PART B: ALLOCATIONS AFTER THE FIRST DEADLINE FOR PAYMENTS

B.1 In the event that by March 15, 2016, the number of registered and paid American sailors is less than 165, the available places will be allocated by the IODA Executive Committee to the American members that have requested them, according primarily to their average participation in 2014 and 2015 World and North American Championships. Places allocated in this way must be confirmed by registration and payment by March 31, 2016.

B.2 The places allocated to non-American members shall be paid on or before March 15, 2016. If no payment is made the remaining places will go to the other non-American countries that have requested places but if by March 31, 2016, no payment has been received, the remaining spots originally reserved for non-American countries will be allocated to American countries.
