Hosted jointly by Squamish Yacht Club & West Vancouver Yacht Club on behalf of the Canadian Optimist Dinghy Association

## NOTICE OF RACE

The Organizing Authority is the Squamish Yacht Club (SYC) and the West Vancouver Yacht Club (WVYC) together with the **Canadian Optimist Dinghy Association**.

The 2015 Canadian Optimist Dinghy Championships (CODA) will be run from the Squamish Yacht Club on the northernmost waters of Howe Sound in the vicinity of Squamish Harbour. Mornings produce light out-flow (Northerly) winds at which time the Silver and Green Classes (see item 3.b below) will compete. The area is well known for consistent in-flow (Southerly) winds starting in the early afternoon. Afternoon wind strengths are generally in the low 20 knots. Waters are brackish as there is significant mountain run off, including glacial water, which also results in extremely cold water even on the hottest of days.

**Gold Sponsors**

Measurement and Safety Inspections will take place on August 29<sup>th</sup> and 30<sup>th</sup>. Practice race(s) will be held August 30<sup>th</sup> followed by racing from August 31<sup>st</sup> to September 4<sup>th</sup> (see "Schedule", below). There will be a one-day break from championship racing on September 2<sup>nd</sup>, when a team-racing regatta will be held.

The Squamish Yacht Club is located in Squamish, British Columbia, Canada at the northern end of Howe Sound. The First Nations word for Squamish is Sk̓wx̓wú7mes. The name "Squamish" is a loose English adaption meaning "Mother of the Wind".
